Dear Parents and Carers,

**MOTHER'S DAY INVITATION – 8th MARCH 2024**

We would like to invite the mothers of children in the Foundation classes into school on Friday 8<sup>th</sup> March. If mothers are not available on this day then we would be very happy to see any female relation instead e.g. Grandmother, Aunt or similar. Our only criteria being that we do need to restrict admission to one relation per child.

This is for the children to celebrate the tradition of Mother's Day with their mummy in school. There will be craft-based activities to enjoy together and the children will also be singing a Mother's Day song.

We anticipate the session would last about one hour. Relatives would come straight into the Early Years Foundation area from the front playground at 8.55 am and sign in there.

**We would also remind parents of the extreme importance of confidentiality in the school. Please also be aware that mobile phones are not allowed and should not be on show at any time during this period.**

Unfortunately, young children/siblings are unable to attend this event.

Please indicate your attendance by clicking the link below.

Thank you for your support.

Yours sincerely
