YEAR 1

MILESTONES

LIVING HISTORY MUSEUM

Year 1 had a fantastic trip out to Milestones Museum. We explored the past through a workshop- organising old toys, playing old fashioned playground games and in the Teddybear museum. After lunch, we travelled back in time to experience the magic of an old Victorian-1940's town. Highlights being the school, a sweet shop, an outside toilet and even a pub! The children made the adults very proud.

Hawthorns faced St Dominic's last Friday 30th January.

A valiant performance from both sides, with each team creating plenty of opportunities to score, but the goalkeepers were outstanding, keeping the game goalless until the final minute.

In the end, St. Dominic's found the breakthrough with a well-worked team goal to secure a hard-fought victory.

We have been advised of a case of head lice within our school community. We kindly ask all parents and guardians to be vigilant over the weekend and check your child's hair carefully.

If you do find any signs of head lice or eggs, please begin treatment promptly before your child returns to school.
Thank you for your cooperation and support.

Picture News

For week beginning 9th February 2026

The UK government is considering new rules that might stop children under 16 from using social media, following similar laws in other countries. Some adults are worried social media can affect sleep, anxiety and friendships, so they are asking how to help children stay safe online.

VOLUNTEERS NEEDED!

We currently do not have any volunteers for the Year 5 & 6 disco.

Without enough helpers, we will unfortunately have to cancel the event — and we really don't want that to happen!

If you're able to lend a hand, even for a short time, please get in touch as soon as possible. Your support will make sure our students don't miss out on a fun and memorable evening!

Thank you for your help and community spirit.

StageAbility

StagAbility

Helping Shy Children Find Their Confidence

StageAbility has been running friendly after-school drama classes for children aged 4-7, 7-11 and 12-18 in Wokingham and Lower Earley since 2008. Classes build confidence, communication and self-belief through interactive drama activities, creative teamwork and storytelling. There's no pressure to perform on stage and no auditions - just encouragement, creativity and fun.

This term, StageAbility is running Share the Stage, an initiative designed to welcome new children into classes and make it easy for families to give drama a try.

"My child's confidence has grown so much since joining. They're happier, more expressive and much more willing to have a go."

To make it accessible, new students can try two classes for just £12.

Classes run locally on **Tuesdays** in **Wokingham** and **Thursdays** in **Lower Earley**.
