WEDNESDAY 22ND JULY**

FINISH TIME: 2:00PM

MESSAGE

From the Headteacher

Dear Parents and Carers,

The final full week of term has been a wonderful week of celebration, achievement and reflection. With our End of Key Stage SATs results now published, we are incredibly proud of our Year 6 pupils; not only for their academic success, but also for the resilience, confidence, talent and personal growth they demonstrated in their fantastic end-of-year production. It was a fitting showcase of all they have achieved during their time with us and a reminder that success comes in many forms.

With end-of-year reports now having been shared with families, I hope you will all take time to celebrate your child's achievements throughout the year. Every child has worked hard, made progress and demonstrated our Aspirational Qualities in their own unique way. Whether through academic success, sporting achievements, creative talents, acts of kindness or personal milestones, each achievement deserves recognition and celebration. We are immensely proud of all our pupils and the effort they have shown throughout the year.

Following the success of the Bytomic Taekwondo taster sessions earlier this year, we were delighted to offer a series of lessons in school led by Nick Colgate. The children who participated thoroughly enjoyed the experience and gained so much from it, developing not only their technique but also their confidence, resilience and self-discipline.

It is fantastic to hear that several children have already joined the club outside of school, and Bytomic have kindly provided an excellent offer for our families to encourage even more children to try this rewarding martial art. Please see the attached leaflet for further information.

Today's transition day has gone very smoothly, with children and staff enjoying time together in their new year groups and becoming familiar with expectations before the summer holiday. At our school, we place great importance on ensuring every child feels a strong sense of belonging - to their class, their year group and our wider school community. Creating opportunities for children to build relationships, feel valued and embrace new experiences is at the heart of what we do. A positive transition process plays a vital role in helping children feel reassured, confident and ready for the year ahead.

As we approach the end of another successful school year, it is important to reflect on just how much our children have achieved. Together, we have built a nurturing and supportive community where children feel safe, valued and able to flourish. Thank you to our families for your continued support in helping us create a school where every child can thrive, belong and succeed.

Only three more days to go! Have a wonderful weekend.

All the best
Ms Razeghi

The children in EYFS
visited Wellington
Country Park.

The children learned a lot about
animals and how to respect and care
for them. The children explored the
past with the dinosaurs and old
farm machinery, had an exciting
train ride and used their
imaginations in the Enchanted
Forest.

Everyone had a wonderful day!

This week, our amazing Year 6 pupils performed their end-of-year production of Alice in Wonderland to the school and their parents. They have worked incredibly hard learning their lines, creating and managing props, and mastering numerous songs and dances.

It has been a joy to watch their confidence flourish on stage, and we were truly blown away by their talent, enthusiasm, and commitment. Every member of the cast and crew played an important role in making the production such a success. The whole performance was a wonderful showcase of our Aspirational Qualities, with the children demonstrating resilience, collaboration, creativity, kindness, and independence throughout. We are immensely proud of each and every one of them.

Year 4

Dood

BERKSHIRE
MUSIC TRUST

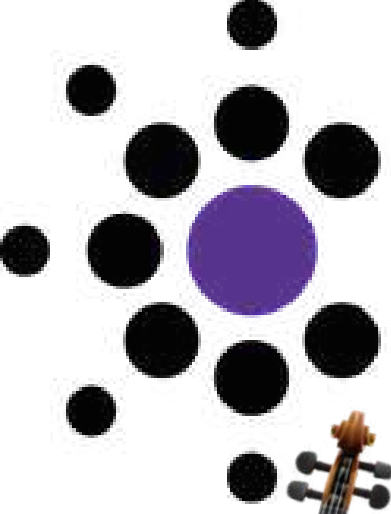

Making music for everyone

Year 4 have been very lucky to learn the Dood this term with their teacher Dan from Berkshire Music Trust.

The children put on a wonderful performance on Wednesday morning to their parents celebrating all they have learnt in the term.

Thank you to our fantastic musicians and the Wokingham Arts Society for allowing our wonderful talent to grow.

BERKSHIRE MUSIC TRUST

Making music for everyone

This week, our termly violin concert took place, with children from Years 1 to 6 performing for their parents and an audience of Year 6 pupils.

Everyone was thoroughly impressed by the children's confidence, enthusiasm, and musical talent. The performances showcased not only their hard work and dedication but also the excellent progress they have made. It was a wonderful celebration of music, and we are incredibly proud of all who took part.

Year 6 had a fantastic time at their leavers' party last Friday! Parents supported the celebration by using a local small business to create delicious personalised Hawthorns cupcakes, while another parent produced an amazing totem for the themed event. A huge thank you to everyone who helped make the occasion so special. Good luck, Year 6 – we wish you every success and happiness in your next adventure! 🎉🎓✨

LEAVERS 26

We're pleased to announce that from September The Hawthorns Primary is introducing a new, more efficient and secure system for reporting your child's absence due to illness, called Studybugs.

Please download the free Studybugs app, or register on the Studybugs website, and use it to tell us whenever your child's ill and unable to attend school.

Get the app or register now
(<https://studybugs.com/about/parents>).

Thank you to all parents and carers who have already downloaded and used it to report their child's absence.

Gooddies School Uniform

Please note that deliveries will not be made to school over the summer holiday.

Orders take 5-7 days for delivery

PARENT INFORMATION

Great British Summer Savings for Families

The Secretary of State has appealed to schools to help to share information with parents about the Great British Summer Savings scheme which was announced by the Chancellor last month.

From 25 June to 1 September 2026, the Government is temporarily cutting VAT from 20% to 5% on children's meals in restaurants, children and family tickets to cinemas, theatres, concerts and exhibitions, and admission to a wide range of attractions. Combined with free bus travel during August for children aged 5 to 15 in England, families and young people will be able to enjoy experiences that make summer special, including visits to the kinds of cultural and educational attractions that enrich children's lives outside the classroom.

As part of this campaign, the government has launched an attraction finder website which allows families to type in their postcode and find participating venues near them to make the most of summer savings. To use the attraction finder, please visit <https://summersavings.gov.uk>.
