

ABOUT US

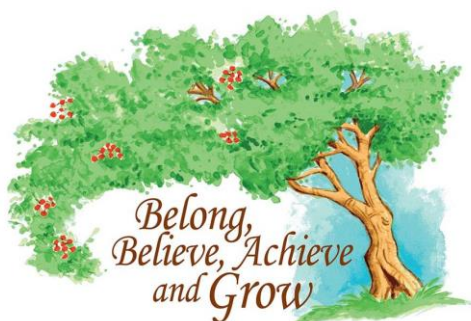

The Hawthorns Primary School has been open since 1981. The School has capacity for 436 pupils and caters for children from Foundation Stage (Rising 5's) right through to Year 6 (age 11). Each year group has two parallel classes.

The school benefits from a well-equipped modern building with spacious grounds. It has two separate playgrounds, a large field, an organic garden, a wooded area which has been developed for Forest School provision, a music and drama studio, as well as several other outside areas used to enhance teaching and learning.

The Hawthorns is a Local Authority (LA) Primary School. This means that, although the school's affairs are primarily the responsibility of the School Governors, we also benefit from the services and support provided by the Local Authority.

OUR VISION

The children of The Hawthorns are at the heart of all that we do. As a whole school community, we nurture and challenge our children within a caring environment, so they grow both personally and academically.

We are passionate about developing the whole child; encouraging them to have a growth mindset, believe in themselves, aspire to achieve their best and become resilient lifelong learners.

We uphold a strong sense of belonging by valuing our children's individuality and celebrating diversity to ensure all our children thrive.

Ofsted May 2017 'Many parents describe the school as, 'caring', 'nurturing' and 'a close-knit community'.

"You set high expectations of pupils and staff and have established a culture of 'being the best you can be'."

We aim for the curriculum to:

- Be broad and balanced, enabling all children to learn and achieve.
- Draw upon first hand experiences wherever possible.
- Develop the children's sense of identity through their knowledge and understanding of the spiritual, moral, social and cultural heritages of our society.
- Give children the opportunity to develop their creative and physical skills as well as the academic side of the curriculum.
- Instil a culture of continuous learning for all.
- Enable children to aspire to the best they can be by ensuring there are high standards of achievement in all subject areas.

ABOUT US

ADMISSION ARRANGEMENTS

The school caters for children from 4 – 11 years old, and primarily serves a designated area between the Woosehill Spine Road, Bearwood Road, Simon's Lane and south of the Reading Road. Each year we are able to admit 60 children. If there are insufficient places to meet demand the Local Authority allocates places according to agreed criteria.

As a maintained school The Hawthorns Primary School admissions arrangements are undertaken through Wokingham Borough Council and the Governing Body have adopted the criteria laid down by them.

School year 1st September 2022 to 31st August 2023. (Children born between 1st September 2017 and 31st August 2018).

The law determines compulsory school age begins at the start of the term following a child's fifth birthday.

The decision about when to start your child at school is yours. Parents can request that the date their child is admitted to the school is deferred until later in the school year, or their child is admitted on a part time basis or admission is not until the child reaches compulsory school age in that school year.

We recommend that you discuss the options with your Early Years provider or the school if you have any concerns regarding the readiness of your child to start in September or whether to accept a full-time or part-time school place.

If you specify on the acceptance form that you wish to defer your child's place until later in the school year or if you wish your child to attend on a part-time basis and you subsequently decide that your child is ready to attend school, then you can discuss a mutually convenient start date with the Leader of EYFS or the Headteacher. We would also recommend that you advise your Early Years setting of your decision.

The school will advise you on the part-time options available.

Transfer to Secondary School

As soon as your child starts in Year 6, you will receive full information about the choices you have for secondary school.

Our children transfer to an increasingly wide selection of secondary schools, including grammar and denominational schools.
