

Mathematics

As mathematicians we will be exploring measurement including Mass, Capacity & Temperature. We will be estimating, comparing and ordering different measurements and use this knowledge to support us when faced with word problems.

Year 2

Summer 2022

Roald Dahl
and Seaside's

English

As writers we will be using 'The Three Little Wolves and the Big Bad Pig' as our main text and analysing the vocabulary in depth as well as comparing it to the familiar fairy tale of The Three Little Pigs and the Big Bad Wolf. We will be looking at newspaper articles and writing our own newspaper report based on the events of the big bad pig before writing our own version of the story.

Geography

As geographers we will be comparing a British seaside resort with a non-European seaside resort. We will look at the physical and human features of each place.

Religious Education

As learners the children will be studying different religious festivals as well as answering big questions.

History

As historians we will be exploring a significant individual— Roald Dahl and be focusing on his life and how he came about to writing his famous stories. We will be focusing on non-fiction writing within this topic.

Computing

This term we will be focusing on coding. We will learn and understand what an algorithm is and create a program using a given design. The children will also design an algorithm that follows a timed sequence and understand how to debug a program.

PSHE

This term we will be focusing on 'Relationship' and 'Changing Me'. Within relationships we discuss different types of families, the importance of trust and friendships. With changing me we look at different types of life cycles and how our bodies change as we grow up.

Science

As scientists we will learn about plants and carrying out experiments to discover how plants grow and what they need in order to survive. We will also be learning about animals including humans and will look closely at life cycles.

Art/ Design and Technology

In Art we will be focusing on how to draw like Quentin Blake. As designers we will be designing and making our own pizzas linked with healthy eating.
